

# Kimochi Walk-Run FAQ

- **Is there a registration fee?**
  - No, it is free to register! You can register individually or as team of 3-5 members.
- **How is my progress tracked?**
  - The Charity Footprints app will track the miles you have walked or run by GPS (you will need to turn it on in order to be tracked). The app will track your distance and post your miles on the Kimochi campaign webpage, where you can also view the progress of other participating walkers/ runners. At the end of November, the app will tally the dollars you've raised for Kimochi.
- **Do I have to participate as a walker/ runner in order to be a donor/sponsor?**
  - No, you may choose how you would like to participate - whether as a walker/ runner, donor/ sponsor, or both. Donations are tax-deductible to the extent permitted by law. Kimochi, Inc. is a 501©3 non-profit organization.
- **Are donors notified to fulfill their pledges when a participant reaches their goal?**
  - The participant will notify their donors to fulfill their pledges.
- **How do I keep track of my donors and their pledge amounts?**
  - Please use the Sponsor and Pledge Tracking [form](#).
- **Are the donors required to put their credit card on file to be charged when the participant fulfill their fitness goal?**
  - No, the credit card information will be entered at the time of transaction.
- **What is the deadline to sign up as team?**
  - November 15, 2017
- **I signed up as a member of a team, but there are not enough participating teams to meet the “Team Option Criteria” for the top team reward.**
  - If a minimum of 3 teams do not sign up by November 15, 2017, then all participants will be qualified for the “Individual Option Criteria” reward.
- **Once I registered for the campaign, can I change my information?**
  - Fundraising goals and target miles can be edited through your fundraising page, but the amount can only be increased. The option of participating as an individual or team cannot be changed.
